Pride

An insidious sin that seeks to color and corrupt all mental and verbal activity and choices in your life.
A special subject for you to be great in the sight of God and men.
One of the most despised sins in the word of God that we often overlook.
One of the most corrupting sins in the word of God that we underestimate.
If you do not put it to death ... it will take you and your family down from your possible success.
Everyone has it

God hates it

It cannot be hid

Men despise it in others

It will take you down

Beating it brings honor

You can change it

You must kill it
What is the subject?

Let us despise even the smell of it!
